

# THE TOY BOX

## Early Education Centre

Good morning,

Just to address a couple of important points. While we remain closed, we want to assure you that there will not be an interruption in your child's care once the Medical Officer allows us to resume operations. Your account will be credited for this period on your next invoice and we will continue to support our Toy Box family in any way that we can. We know how stressful this can be for families so please do not hesitate to contact us if you need anything.

24/7 - 519-562-7057

Take care,

Anna Raymond
